(b) Full Digital Print including background
(c) Custom Shape with Full Digital Print

Balloon Sizing:

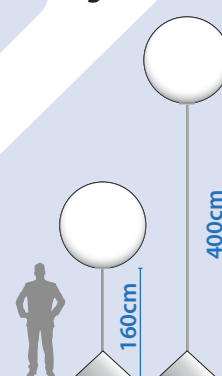

Round (Ripstop Nylon Material)

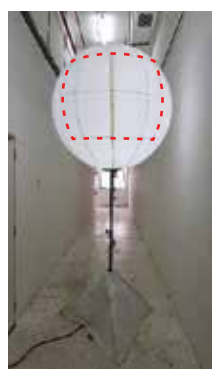

Cube (Ripstop Nylon Material)

Pole Height

Branding / Artwork Area:

LBS Size	Branding Area
90cm diameter LBS	700x700mm
130cm diameter LBS	1000x1000mm
160cm diameter LBS	1200x1200mm
200cm diameter LBS	1400x1400mm
240cm diameter LBS	1880x1880mm

Note: Note: Client must show us the artwork and we will recommend the appropriate sticker size. Minor wrinkles or cuts may be made on the sticker when pasting on the round surface of the balloon. Rest assured as we have years of experience under our belt!

- Battery Operated LBS also available
 - 1 battery to operate the LBS fan for 72 hours
 - 1 battery to power the LBS light for 6 hours

Frequently Asked Questions (FAQs)

What file must we provide?

Vector format (.ai, .eps or pdf) or a high resolution jpeg or tiff file if you do not have a vector format.

Will you provide a mockup?

We will superimpose the artwork on our template with the recommended sticker size. Client must approve and sign the artwork confirmation (5 working days prior to setup) before we proceed with production.

What is the difference between vinyl sticker and digital print on clear and matte sticker?

Vinyl stickers (Oracle 651): Opaque, 44 colours to choose from. New chrome Gold and Silver also available!

Matte stickers: artwork printed on white opaque matte sticker. Artwork will appear slightly dark with light on.

Clear stickers (most popular): artwork printed on clear (non-opaque) sticker which allows light to shine through the print. Note that printed colours will appear 20-30% lighter when light is on.

Can we still use the LBS if there is no power source nearby?

We have battery operated LBS. Blower battery for the balloon can last 72 hours and the LED light battery can last 8-10 hours.

Feel free to contact us 24/7 via Whatsapp, call or email by providing us with your name and company's details so that we can assist you and provide a quotation according to your event's needs!
